15 October 1982

MEMORANDUM FOR: Executive Director

FROM:

Planning Staff

SUBJECT: Comments on IPC Activities Report

25X1

1. Generally speaking, those items you have question marks on are part of activities covered in the charter for the IPC (copy attached).

2. On the specific items:

#4 Manpower Study: This study is being conducted as part of the Community long-range planning effort under

25X1

#6 Review of 1984 NFIP: See items 3d, 3g of the IPC charter.

#8 Support to NIESO: IPC is commenting on wartime intelligence analysis, production, and data bases per request of NIESO.

#10 Community Long-Range Planning:  has requested contributions from various Community working groups and committees (e.g. STIC). Also, see 3e IPC charter. IPC participation could help balance the Community LRP working group (DoD/Other).
